Dear Wei Xie:

We are pleased to inform you that your submission titled "*ROI-emphasized Volume Visualization guided by Anisotropic Structure Tensor*" has been accepted as an IEEE Poster Paper and will be included into the Conference Proceedings for the 13th International Conference on Computer-Aided Design and Computer Graphics (CAD/Graphics 2013: <http://sweb.cityu.edu.hk/cadcg2013/>), which will take place from 16-18 November 2013 in Hong Kong. You are required to give a presentation at the conference for your accepted paper.

CAD/Graphics 2013 understands that you will be paying for your travel, meals, housing, and conference fees. You will also be paying for your entire medical expenses should they be needed. CAD/Graphics 2013 also understands that after the conference, you will be returning to your country. You may want to arrive in Hong Kong on or before 16 November so that you can adjust to the time change and depart 18 November or later so that you may see some of the cultural sites available in the area.

You may need a visa or entry permit for entry for visit in Hong Kong. The HKSAR visa requirements can be found at http://www.immd.gov.hk/ehhtml/hkvisas_4.htm.

If you have any questions, please feel free to contact me by email at hongbofu@cityu.edu.hk or at the address / phone number shown in the footer of this letter.

Sincerely,

Hongbo Fu
Program Co-chair, CAD/Graphics 2013
